

School Song

**Murialdo School that stands by Masaboin
Murialdo name, we must honor too
Long the struggle to get thee,
A battle won, a battle won,
And preserve shall we.**

**Murialdo the name we love
Murialdo that meets our needs
Mountains high, shall we fight
We'll fight, thy glorious name preserve. (x2)**

**To the almighty God our thanks we sing
Country wide our echo shall ring
In crowning the desire
Education to acquire
With this school, our dreams have come true**

**Murialdo the name we love
Murialdo that meets our needs
Mountains high, shall we fight
We'll fight, thy glorious name preserve. (x2)**
